NATIVE NURSERY

Specializing in native Rocky Mountain vegetation

Nursery Information

OASIS Native Nursery produces plants for wetland and upland sites throughout the Rocky Mountain and North-western Great Plains regions of Montana, Idaho and Wyoming. We pride ourselves in producing quality, regionally adapted plant material.

The native nursery provides private individuals, government agencies, non-profit organizations and consulting firms with quality riparian and wetland plants to help facilitate their revegetation goals.

Services include the collection of site-specific upland and wetland seeds, growing plants to specifications and delivering plants to the project site. Installation and maintenance services are also available. In addition, we are able to provide customers with wetland and upland seed mixes.

Herbaceous wetland plant material is grown in our 3,500 sq. ft. climate controlled greenhouse and six acre outdoor production area located in Livingston, MT, with sizes ranging from 1.5 cubic inch plugs to 10 cubic inch containers to 4 inch pots. Riparian and wetland shrubs are grown in Belgrade, MT by Westscape Wholesale Nursery, a recognized leader in the production of native shrubs adapted to the Northern Rockies.

We have experience collecting seeds, designing revegetation plans and propagating custom grown orders for a variety of restoration and reclamation projects including wastewater treatment, stormwater runoff, acid and heavy metal remediation, saline and salt-affected sites and waterfowl habitat enhancement.

Nursery Terms & Conditions

- ◆ Minimum purchase order amount is \$500. If the plant materials are grown under contract, no fewer than one hundred plants per species is required.
- ◆ We require a non-refundable 50% deposit to hold plants.
- ◆ Because of the wholesale nature of our nursery, it is often difficult to accommodate customers who drop by our facilities. Wholesale customers should provide us with 48 hours advanced notice for picking up orders if a date and time has not already been arranged.
- ◆ Plants must be picked up within seven days of scheduled pickup date and balance on order is due at the time of pickup.
- ◆ We require an additional fee for contract grown orders needing to be held and/or overwintered at our facilities.
- ◆ Prices are subject to change but we welcome advance orders and will honor the prices quoted.
- ◆ Delivery and shipping services are available for an additional fee. Please contact us to determine current rates.
- ◆ We accept checks, Visa and/or Mastercard for payment.

2010 Plant Availability List

Scientific Name

Common Name

Wetland Grasses and Grass-like Species

Beckmannia syzigachne (OBL)	American sloughgrass
Carex aquatilis (OBL)	Water sedge
Carex bebbii (OBL)	Bebb's sedge
Carex hystericina (OBL)	Porcupine sedge
Carex lasiocarpa (OBL)	Woolly-fruited sedge
Carex pellita (OBL)	Woolly sedge
Carex microptera (OBL)	Small-winged sedge
Carex nebrascensis (OBL)	Nebraska sedge
Carex prae-gracilis (FACW)	Clustered field sedge
Carex simulata (FACW)	Short beaked sedge
Carex stipata (OBL)	Sawbeak sedge
Carex utriculata (OBL)	Beaked sedge
Carex vesicaria (OBL)	Inflated sedge
Carex vulpinoidea (OBL)	Fox sedge
Distichlis spicata (FACW)	Inland saltgrass
Eleocharis palustris (OBL)	Creeping spikerush
Juncus arcticus (J. balticus) (OBL, FAC)	Baltic rush
Juncus effusus (FACW+)	Soft rush
Juncus ensifolius (FACW)	Daggerleaf rush
Juncus longistylis (FACW)	Meadow rush
Juncus tenuis (FAC)	Slender rush
Juncus torreyi (FACW)	Torrey's rush
Puccinellia nuttalliana (FACW)	Nuttall's alkali grass
Schoenoplectus acutus (Scirpus acutus) (OBL)	Hardstem bulrush
Schoenoplectus americanus (Scirpus americanus) (OBL)	Olney's three square
Schoenoplectus maritimus (Scirpus maritimus) (OBL)	Alkali bulrush
Schoenoplectus pungens (Scirpus pungens) (OBL)	Threesquare bulrush
Schoenoplectus tabernaemontani (Scirpus validus) (OBL)	Softstem bulrush
Scirpus microcarpus (OBL)	Smallfruit bulrush
Scirpus pallidus (OBL)	Cloaked bulrush
Spartina pectinata (OBL)	Prairie cordgrass
Spartina gracilis (FACW)	Alkali cordgrass
Sporobolus airoides (FAC)	Alkali sacaton

2010 Plant Availability List

Scientific Name

Common Name

Shrubs and Trees

Amelanchier alnifolia	Serviceberry
Betula occidentalis	Water birch
Cornus sericea	Redosier dogwood
Elaeagnus commutata	Silverberry
Prunus virginiana	Chokecherry
Ribes aureum	Golden currant
Rosa woodsii	Woods' rose
Salix bebbiana	Bebb willow
Salix boothii	Booth's willow
Salix drummondiana	Drummond's willow
Salix exigua	Sandbar willow
Salix lasiandra	Pacific willow
Salix lutea	Yellow willow
Salix geyeriana	Geyer willow
Shepherdia argentea	Silver buffaloberry
Symphoricarpos albus	Common snowberry

Forbs

Dodecatheon pulchellum	Shooting star
Geum macrophyllum	Large-leaf avens
Helianthus nuttallii	Marsh sunflower
Mimulus guttatus	Yellow monkey flower
Mimulus lewisii	Pink monkey flower
Rudbeckia laciniata	Cutleaf coneflower

Aquatics

Hippuris vulgaris	Mare's tail
Sagittaria cuneata	Wapato
Sagittaria latifolia	Duck potato

2010 Prices

Wetland Grasses and Grass-like Species

	Tray Price	Per Plant
126 Tray (1.5 cubic inch plug)	\$50.40	Not available
104 Tray (3.0 cubic inch plug)	\$62.40	Not available
45 Tray (6.9 cubic inch plug)	\$51.75	Not available
